Dear Mr. Hamm:

Subject: Stone Quarry / Contemporary Stone Mine DOGM No. S/003/038

We have reviewed a copy of your Notice of Intention to Commence Small Mining Operations. We received a copy of the notice from the Division of Oil, Gas and Mining on July 10, 1996.

This project is for a stone quarry in Box Elder County. The mining operation will be less than 5 acres.

It does not appear that the operation, as described, will have any water quality impacts. At this time, no permit is required from this office for the stated activities. However, you must advise us for review of water quality impacts, if your activities generate wastewater, which would be discharged to the ground or surface waters of the State.

If we can be of further assistance, please contact me or Mr. Lyle Stott of my staff.

Sincerely,

Kiran L. Bhayani, P.E., D.EE.  
Manager, Design Evaluation Section
